## Photograph & Video Publishing

- school displays
- printed publications
- school website

If we use photographs of individual pupils, we will not name the child in the accompanying text or photo caption. If a child has won an award and the parent would like the name of their child to accompany their photograph we will obtain permission from the parent before using the image.

We need your permission before we can photograph or make any video recordings of your child. Please answer the questions below and sign and date the form
